COMMUNITY LIFE

Multi-Purpose Facility Presentation

In April of 2019, St. Alphonsus Liguori Parish purchased four acres of land off Old Greenwell Springs Road. Recently, our Master Planning Committee selected Ritter Maher Architects of Baton Rouge to design a new Multi-Purpose Facility to be built on this land. The facility will provide additional meeting spaces for our growing parish.

Through your generosity, we have successfully saved substantial funds for this project through our Building and Maintenance collection and the funds collected from the Auction and Festival. We will require a loan from the Diocese and plan to repay the loan through your continuing generosity to these funds.

On Thursday, February 17, 2022, our architects will give a presentation on the plans for this property at 6 PM in the St. Francis Room. All parishioners are invited to attend to view the parish's plans for this facility and ask questions. We hope you will join us in celebrating the continued growth of our Parish. If you are unable to attend, this presentation will be live-streamed on the St. Alphonsus Facebook page and YouTube.

The property will have to be approved by the City of Central for Conditional Use before we can begin construction. We invite you to support St. Alphonsus by attending two City of Central meetings for rezoning: Planning & Zoning on Thursday, February 24, and the City Council on Tuesday, March 22. Both meetings will begin at 6 PM at Kristenwood, 14025 Greenwell Springs Rd.
