

The Gospel of Mark And The Bible and The Sacraments

The Gospel of Mark with Dr. Scott Hahn

St. Mark paints a portrait of Jesus that is vivid, dynamic and focused on His miracles and His divine Sonship. But, unlike the other Gospels, the structure of Mark defies easy definition. In this five part series, Dr. Scott Hahn reveals the hidden themes that St. Mark employed, like a master composer, to orchestrate his magnificent work.

This dazzling study looks beyond the Evangelist's almost breathless account of Our Lord's life to unpack the rich depth of spiritual treasures that lie just beneath the surface. As Dr. Hahn uncovers the fascinating background and amazing details of St. Mark's Gospel, you'll discover new insights and come to a new appreciation of the often-overlooked literary genius that enlivens his inspired words.

The Bible and The Sacraments by Dr. Scott Hahn

The Bible and the Sacraments examines the sacraments of the Catholic faith. Not simply looking at the basic teaching of the Church as to their meaning and origin, it investigates the deeper mysteries they contain as illuminated by scripture.

The Bible and the Sacraments looks at each sacrament individually, seeking to understand where they come from, what they mean, and why they are so important and foundational to our faith. Finding their institution in Christ and their origin in salvation history, they are God's gift of life to His children.
