The Bible and The Sacraments by Dr. Scott Hahn

The Bible and the Sacraments examines the sacraments of the Catholic faith. Not simply looking at the basic teaching of the Church as to their meaning and origin, it investigates the deeper mysteries they contain as illuminated by scripture.

The Bible and the Sacraments looks at each sacrament individually, seeking to understand where they come from, what they mean, and why they are so important and foundational to our faith. Finding their institution in Christ and their origin in salvation history, they are God's gift of life to His children.
