

Revelation: The Kingdom Yet to Come & James: Pearls for Wise Living

In this intriguing look at one of the most talked-about books in Scripture, Jeff Cavins explores *Revelation* to demonstrate how the Kingdom established by Christ in His Church is intimately connected with the Kingdom of Heaven, especially through the celebration of the Mass. You will also learn what all the mysterious figures and images of *Revelation* represent, as well as what will happen during the Second Coming of Christ, what has already happened, and what is happening now in salvation history.

James is one of the most practical books of the Bible. Like the book of Proverbs, it is a book of wisdom, a collection of teachings on issues faced by ordinary Christians in everyday life. These teachings speak loudly to all those who feel torn between the competing demands of this world and their faith. This study offers “pearls for wise living” by applying the wisdom of James to the present. For anyone who has struggled to live a truly Christian life, *James* offers a wealth of practical solutions for handling and even sanctifying everyday circumstances.
