### Featured Saint of the Week

**St. Rita of Cascia (1381-1457)**

**Feast: May 22**

Margherita Lotti was born to parents of nobility. At a young age, Rita had hopes of becoming a nun, but her parents didn't agree. They arranged for her to marry at the age of 12.

Her husband had a number of poor qualities, but Rita stood by him. Having been married for 18 years, Rita finally convinced him to change his ways. Unfortunately, his past caught up with him, and he was stabbed to death, the result of an ongoing family feud. They'd had two sons that mirrored their dad's bad behavior, but not long after their dad died, both sons died from the bubonic plague.

Rita finally was able to apply to the monastery, but before she could be accepted, they wanted her to reconcile with the family and her husband's murderers. With the help of her three patron saints, she was able to accomplish the reconciliation.

At the age of 36, she entered the monastery of St. Mary Magdalene in Cascia. At the age of 60, while meditating before an image of Christ crucified, she developed a wound on her forehead, deemed a partial stigmata.

Rita remained at the monastery, living by the Augustinian Rule, until her death from tuberculosis on May 22, 1457.

Her body has been exhumed three times since her death. Each time her body has been incorrupt and the blood of her head wound glistens.

St. Rita joins St. Philomena and St. Jude as patron saints of the impossible.

"Most Holy Sacred Heart of Jesus, help my heart to preserve in all that is holy." - St. Rita of Cascia

"There is nothing impossible to God." - St. Rita of Cascia

### Family Adoration

Join us on the first Saturday of each month for Family Adoration & Benediction at 8:30 AM. Next date: **April 5**. We will have coffee and donuts in the St. Francis Room following Adoration. **Please note: We will not have a First Saturday 8 AM Mass in April.**

### Divine Mercy Novena

Join us in praying the Divine Mercy Novena each **Wednesday at 6 PM** in the church during the Lenten season. Our Lord said, "Through the chaplet, you will obtain everything, if what you ask for is compatible with my will." The Rosary will be recited before the Novena at 5:20 PM.

### Stations of the Cross Friday, April 11 at 6:30 PM

The middle and high school youth invite you to join them in "Our Journey with Jesus." We encourage you to examine your heart, and accept the task at hand as we face our daily challenges and respond to His call, as we unite ourselves to Him. The evening will reflect on the Passion of Christ by utilizing prayer, music, and visual aids, both traditional and present-day; lead by the youth group. The goal of praying the Stations is not just to get through them. The goal is to contemplate the depth of love God demonstrated on the Cross. The other goal is to learn how to carry our own crosses with Christ. In praying the Stations, we learn compassion. We enter into the suffering of Christ to better understand our suffering and the suffering of others.

## Fr. Jason's Wishful Thinking: Cemetery Expansion Plans

I hope that all of you are having a fruitful Lent thus far. Lent is an incredibly busy time at St. Alphonsus with the St. Joseph Altar, our Annual Auction, Friday fish dinners, and extra spiritual activities. In the midst of these activities, we might lose sight of Lent and the bold message from Ash Wednesday: "Remember that you are dust, and unto dust you will return." Yes, all of us will experience death one day, and one of the corporal works of mercy is to bury the dead. One of the top five things that priests and deacons do each week is burying the dead and ministering to the families that must carry on. With this in mind, I wanted to discuss a delicate subject with all of you.

During our listening sessions last summer, one of the topics that repeatedly surfaced was the possibility of offering other forms of burial space in our existing cemetery. We have a very small cemetery on our church property and all of the ground space has been exhausted. After doing some research, I believe that the best approach would be to offer columbarium space for cremains/urns along the perimeter of the cemetery and the back parking lot (there is a chain link fence there now). If you are unfamiliar with a columbarium, these are raised structures made out of concrete/aluminum and clad with granite and/or marble. Each space (or niche) measures 13" x 13," which is quite suitable for the placement of a large urn. The granite on the exterior of the columbarium is designed to be etched with the decedent's name and any other information that a family desires.

We have called a few prominent cemeteries in the Baton Rouge area and have determined that their columbarium niches range in price from \$2,995 - \$8,195. We are proposing to sell our niches from \$1,500-\$1,700 each, depending on the desired height of the niche. The Diocese of Baton Rouge requires that we establish a mausoleum endowment for the perpetual maintenance of the structure, so 25 percent of the purchase price would be invested at the Baton Rouge Area Foundation for this purpose. Doric Products, a monument company based in Illinois, will manufacture this columbarium. They have been in business for over 70 years. Our initial columbarium will contain 120 niches: 60 niches facing

the cemetery, and 60 niches facing the back parking lot. If the columbarium proves to be popular, we could always add additional ones along the fence perimeter as time goes on.

So I am asking those of you reading this article today... Have you considered your burial plans? Are you familiar with the Church's teachings on what is proper for Christian burial and what is not? The Catholic Church does not agree with the modern notion of spreading ashes in one's favorite place on earth or dividing the ashes of an individual as sentimental keepsakes. There is only one exception to this principle in Catholic thought, and that is if a person is beatified on their way to canonization as a saint, relics can be produced from one or two bones of the saint's body. Otherwise, the Church teaches that our earthly remains should be buried or interred whole, on land or sunk at sea, as a visible sign that we await the resurrection of the body at the second coming of Christ. Cremains do not need to be interred in a cemetery, but this is certainly preferable to the idea of holding on to urns in a home and creating shrines to our deceased and prolonging the grief process. It is psychologically healthy to put a distance between us and our deceased loved ones so that we can move forward with our lives.

Many people have worshipped at St. Alphonsus Liguori Parish throughout their lifetimes and have expressed the desire to be interred here on the cemetery grounds, as it is blessed each year on the Solemnity of All Saints Day. Since the new columbarium and its installation will be a substantial cost to St. Alphonsus Parish, we will require a \$500 deposit for each niche, with the remainder of the purchase price due in 60 days. We won't sign the contract with Doric unless we see that there is considerable interest in this project. Please call the parish office at 225-261-4650 and let us know if you are interested in these cremation niches and how many of them you would seriously need for your family. Once we order the columbarium, installation typically takes three to four months. Thank you for your consideration, and I hope that this project will meet one of the needs of our parish for years to come.

Sincerely,

Fr. Jason
