Fr. Jason's Wishful Thinking: The First Year

As I get older, it seems that time passes more quickly. I find it hard to believe that it's been a full year since my arrival at St. Alphonsus... Where has this year gone? I wanted to take a minute or two to recap a few highlights in my mind: (1) the installation of the new altar furnishings in January, (2) working the high ball table at your fair in May for the first time, and (3) visiting with the students in the cafeteria throughout the year. Some of the other highlights included introducing you to the world of fireworks sales as a fundraiser, journeying to Eastern Europe to obtain our parish relic of St. Faustina, beginning new traditions at St. Alphonsus with the Good Friday walk and Divine Mercy Sunday liturgy, teaching you about the Shroud of Turin on Ash Wednesday, and watching basketball games and volleyball games played on a new floor in the gymnasium. I have been impressed with the "can do" attitude and the spirit of volunteerism here at St. Alphonsus. This "can do" attitude was certainly demonstrated as we raised \$113,000 towards a new St. Vincent de Paul building. I am working with the City of Central right now on the initial permits, and the "when and how to proceed next" with the building.

July 1st begins a new fiscal year at St. Alphonsus. I would like to thank all of you [parishioners] who made the last year a financial success on many fronts. In a few weeks, I will give the annual financial report, and I feel a little more confident doing that duty after seeing how the parish operates for a full year. Thanks to a stellar auction and fair, we made approximately \$330,000; and we contributed over \$82,000 of that profit to our parochial school. The remainder of the profit when directly to the diocesan loan. When I arrived in July 2024, the PAC construction debt was at \$1,742,000. I am very happy to report that the balance is now \$1,300,475 as of June 13th!

As we look ahead, there are a few challenges that I must discuss with you. The three-year capital campaign for the PAC ends in September. This generated \$170,000 of income last year, and it will disappear in September. Meanwhile, we are faced with increased property and flood insurance costs, as well as higher utility costs, and our parish had to increase staff salaries by a modest 4% to keep up with cost of living increases. Frankly, I would have loved to increase our dedicated staff's salaries even more, but as I write this column, we are looking at a budget shortfall of approximately \$140,000 for this upcoming year. We still have a few more years before we pay off the construction debt. To put the budget deficit in perspective, our monthly loan payment is \$15,700 per month, or \$188,400 per year. If the loan were paid off, we would operate with a yearly \$48,000 surplus.

At this point, I simply ask that you prayerfully consider your tithe to the church and whether you have increased it in the last few years. We have 3,000 registered families here at St. Alphonsus Church. About one-third of those families are regular contributors to our parish. Imagine what we could do around here if another third contributed regularly! That is a lofty dream, but just think about the good that we could do, the additional programs that we could offer, and how soon the debt could be paid off! But I think that the more realistic solution is for the 33% who are already good stewards to the parish to simply ask if we could afford an additional \$10-\$15 per month, so that St. Alphonsus can get through this difficult year.

Please know that we are doing our part in the church office to cut costs where appropriate. For instance, we will be mailing less items from the office and modifying some of our events involving food/catering this year. Finally, we are hoping that our new columbarium (burial niches) will help to eliminate some of the debt, too, while providing a much-needed service to our parishioners. I am slowly but surely making my way down the list and calling those of you who expressed interest.

Thank you again for making this first year memorable! I look forward to the future years ahead.

Fr. Jason Palermo

Featured Saint of the Week

St. Marie Nicholas Antoine Daveluy (1818-1866)
Feast: May 30

Antoine Daveluy was born on March 16, 1818 in Amiens, France to a devoutly Catholic family. He had two older brothers that were priests; Antoine too, entered the seminary and was ordained in 1841.

His first assignment was as an assistant priest and lasted two years. Despite poor health, he joined the Paris Foreign Missions Society. He left heading for Japan; the ship made a stop in Korea, where the Apostolic Vicar of Korea convinced Fr. Daveluy to do his missionary work there. Fr. Daveluy became fluent in the language, and wrote books that included one covering the Catholic Church's history in Korea, as well as a Korean/French dictionary.

In 1855, Pope Pius IX appointed him coadjutor to Bishop Berneux. Unfortunately, Bishop Berneux was executed by the Korean government in one of their anti-Christian campaigns. Bishop Duveluy was immediately arrested, imprisoned, and tortured, but still staunchly defended his Catholic faith.

When he was sentenced to death, he asked to be executed on Good Friday. He was beheaded on Good Friday, at a Korean naval base along with two French priests, and two lay catechists. All five were canonized on May 6, 1984, by Pope St. John Paul II, along with 98 other Korean martyrs.

France sent a punitive expedition, reinforcing the Korean policy of isolation.

Are You Prepared for Hurricane Season?

Hurricane season began on Sunday, June 1, and now is the time to prepare your family for what may come.

FEMA has a plan on their website: **FEMA P-1094**. Just enter the above form number in your search engine. This form is available for print and will guide you through the process to create and practice your **Family Emergency Communications Plan**. Having your personal plan in place will make your family secure and make you better available to serve others in time of need.

Prayer for Hurricane Season

O God, Master of this passing world, hear the humble voices of your children. The Sea of Galilee obeyed your order and returned to its former quietude; you are still the Master of land and sea. We live in the shadow of a danger over which we have no control. The Gulf, like a provoked and angry giant, can awake from its seeming lethargy, overstep its conventional boundaries, invade our land and spread chaos and disaster. During this hurricane season, we turn to You, O loving Father. Spare us from past tragedies whose memories are still so vivid and whose wounds seem to refuse to heal with the passing of time. O Virgin, Star of the Sea, Our Beloved Mother, we ask you to plead with your Son in our behalf, so that spared from the calamities common to this area and animated with a true spirit of gratitude, we will walk in the footsteps of your Divine Son to reach the heavenly Jerusalem where a storm-less eternity awaits us. Amen.

- Fr. Al Volpe, Cameron Parish, LA
