The Twenty-ninth Sunday in Ordinary Time

"Through his suffering, my servant shall justify many."

– Isaiah 53:11b

Remembering Our Children Candlelight Service Sunday, December 8, 2024, at 6 PM in the church

2020 was a crazy year! Our journey with Blayne started that November. He played football at CHS, his joy in life, and began experiencing leg pain that we attributed to a pull or overwork. Unfortunately, it wasn't. Following numerous appointments and scans, Blayne was diagnosed with malignant cancer in his left hip area. Chemotherapy started and began what would be a 3-year journey of ups, downs, laughter, tears, and everything in between. Blayne, or Jackson as he was known at Central, had his left leg amputated in 2021. For a child whose life revolved around football, this was a hard pill to swallow. Thankfully we were blessed with the most amazing support system, including the greatest prayer warriors! After diagnosis, Blayne had 2 goals he wanted to accomplish: play football again and graduate. He was so determined! Two other cancer reoccurrences and surgeries; one lung and one chest, and he was back to therapy and learning to walk and run with his prosthesis. Erik Strahan was one of the most important people in his life and helped Blayne become the best "new" version of himself. After the initial shock of all that had come his way, Blayne had the most incredible sense of humor about life. He was always a funny kid, but the changes he incurred made him appreciate life differently and laugh off the little things! It also did not stop him from doing everything in his power to get back on that football field. His senior year, he accomplished that goal. He played in 2 games! His hard work had paid off and was evident to everyone watching. He was such an inspiration to so many for fighting so hard! We had strangers telling us how he inspired them. He was completely humbled by his inspiration to others and also by the number of people who prayed for him. May of 2023, HE GRADUATED! Such an incredible day. As a parent who hears the word cancer, you take each day and make the absolute most out of it, so seeing him in that white gown was the cherry on top! His smile lit up the world that day.

In June of 2023, we noticed some changes in him. His silliness was sillier, and he was forgetting simple things. A trip to the ER confirmed the worst and brought us a devastating blow. "I am so sorry, but he has 2 brain tumors, and there is nothing more we can do." These words will forever resonate in our brain. Blayne never gave up. He fought the good fight until the end. He passed away 4 days after that ER visit. He battled for 3 years and his body finally had enough. His infectious smile and his loving heart will be missed forever. We will never pass up the opportunity to tell people how amazing he was. The Lord granted us 3 years to have such a beautiful connection with him, and we are forever grateful for that. Our faith is what did and does continually get us through. We are also grateful for our village. Without them, we could not have survived the last 4 years. He will always be our champion, our hero, and our warrior!

We invite all parents who have lost a child to join us at the Remembering Our Children Service on Sunday, December 8 at 6 PM. Last year, this event gave us a space to honor Blayne's memory and connect with others who truly understood the depth of our grief. It was a place where we could share his story, feel supported, and find some healing amidst the pain. If you've experienced the loss of a child, we encourage you to come. Being surrounded by other parents who have walked a similar path can bring comfort in ways you might not even know were possible!

"A child's soul never dies; it lives on in the hearts left behind."

Jackson Blayne Griffin (May 25, 2004-June 24, 2023)

Featured Saints of the Week

St. Robert Bellarmine (1542-1621)

Feast Day: September 17

From an early age Robert showed signs of extraordinary intelligence; he memorized some of the poems of Virgil, and he composed a number of poems and hymns in both Italian and Latin. One of the hymns he wrote about Mary Magdalene is even included in the Liturgy of the Hours (Breviary).

In 1516 at the age of 18, he entered the Jesuit novitiate in Rome. He stayed in Rome for 3 years, but then moved to Piedmont, where he learned Greek. His next move was to study theology at the University of Leuven. This marked the completion of his formal studies.

Bellarmino was so well-respected and liked that he progressed from parish priest to cardinal within 22 years. Pope Clement VIII named Bellarmine a cardinal because "the Church of God had not his equal for learning." Being a skilled apologist, he defended the Holy See on a number of challenging issues of the day. He was a staunch supporter of the Counter Reformation, and played a crucial role in several controversial cases, most notably the Galileo case. Galileo hypothesized and argued that the sun revolved around the earth.

Bellarmino ultimately retired to the Jesuit College, St. Andrew in Rome. He died there in 1621 at the age of 78.

He left a rich legacy in his writings. Some of the topics include: Apologetics, support of and explaining the work of the Council of Trent, defense of the Holy See, works of devotion and instruction, and controversies he'd faced.

St. Bellarmine was canonized in 1930 by Pope Pius XI; one year later, he was named a Doctor of the Church.

"It is not difficult for one seal to make many impressions exactly alike, but to vary shapes almost infinitely which God has done in creation, this is in truth a divine work."

-St. Robert Bellarmine
